### DOMINION ORDERS IN COUNCIL.

[2285.]

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

MONDAY, the 27th day of June, 1921.

PRESENT:

HIS EXCELLENCY THE DEPUTY  
GOVERNOR-GENERAL IN COUNCIL.

**WHEREAS** the Minister of the Interior refers to:—

(1.) Orders in Council dated the 19th day of January, 1914, re-enacted by Order in Council dated the 1st June, 1915, and amending orders, whereby regulations for the disposal of petroleum and natural gas rights, the property of the Crown in Manitoba, Saskatchewan, Alberta, the Yukon Territory, the Railway Belt in the Province of British Columbia, and within the tract containing three and one-half (3½) million acres of land acquired by the Dominion Government from the Province of British Columbia, and referred to in subsection (b) of section 3 of the "Dominion Lands Act," were promulgated; and to

(2.) Order in Council bearing date the 11th day of February, 1921, whereby regulations for the issue of oil and gas permits and leases in the North-west Territories of Canada were promulgated; and to

(3.) Order in Council bearing date the 12th day of April, 1921, P.C. 1191, as amended by Order in Council of the 1st June, 1921, P.C. 1741, whereby regulations for the disposal of timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the North-west Territories, and the Yukon Territory were promulgated; and to

(4.) Orders in Council dated the 1st day of April, 1921, whereby regulations governing the disposal of school lands for grazing purposes in the Provinces of Manitoba, Saskatchewan, and Alberta were promulgated; and to

(5.) Order in Council bearing date the 16th day of February, 1914, and amending orders, whereby regulations for the disposal of grazing privileges in the Peace River tract of British Columbia were promulgated; and to

(6.) Order in Council bearing date the 17th day of February, 1919, whereby regulations for the issue of yearly grazing permits on the available lands in Townships 15, 16, and 17, Range 3, and Township 15, Range 4, west of the 3rd meridian, and Townships 20, 21, and 22, Range 3, west of the 4th meridian, were promulgated:

And whereas in the above connection the Minister states that the required procedure is set forth in each of the above-mentioned regulations in detail so that the matter of issuing the leases or permits, as the case may be, becomes largely one of routine with which the officer in responsible charge of the branch of the Department is entirely familiar and for which he is held altogether accountable:

And whereas the amount of clerical labour involved in the signing of the aforesaid leases or permits is very considerable and infringes materially upon the time of the Deputy Minister, and it is obvious that the time occupied in the performance of this routine work should be conserved for more important functions:

Therefore, His Excellency the Deputy Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that each of the above-mentioned Orders in Council shall be and the same is hereby amended by adding thereto the following clause:—

"All leases, permits, notices, and other documents, not otherwise provided for, issued under these regulations, shall be signed by the Minister, or by any officer of the Department specially authorized thereto in writing by the Minister."

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

[2229.]

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

MONDAY, the 27th day of June, 1921.

PRESENT:

HIS EXCELLENCY THE DEPUTY  
GOVERNOR-GENERAL IN COUNCIL.

**WHEREAS** by section 5 of the Dominion "Railway Belt Water Act, 1913," it is provided, among other things, that all water without distinction within the Railway Belt of the Province of British Columbia, as defined in the said Act, shall, during the pleasure of the Governor in Council, for the purposes of administration, be under the exclusive control of the authorities of the Province of British Columbia, and be administered under and in accordance with the Provincial Water Acts, as if the said Acts were enacted by the Parliament of Canada:

And whereas by section 6 of the said Dominion "Railway Belt Water Act" it is provided that the Governor in Council may direct that any Act or portion thereof, passed by the Legislature of the Province of British Columbia after the 3rd day of March, 1913, relating to water in the Province not within the Railway Belt, shall apply to the water in the Railway Belt as if such Act were enacted by the Parliament of Canada:

And whereas by Order in Council of 27th February 1915 (P.C. 369), the British Columbia "Water Act, 1914," was made applicable to the said Railway Belt:

And whereas by Order in Council of 3rd November, 1919 (P.C. 2218), the following amendments to the said British Columbia "Water Act, 1914," namely, the "Water Act Amendment Act" of 1917 (chap. 75, 7-8 Geo. V.); the "Water Act Amendment Act" of 1918 (chap. 98, 8 Geo. V.); and the "Water Act Amendment Act" of 1919 (chap. 90, 9 Geo. V.), were made applicable to the said Railway Belt:

And whereas the Provincial authorities have requested that the 1920 and 1921 amendments to the said British Columbia "Water Act, 1914," be

also made applicable to the said Railway Belt, it being desirable that there should be uniformity in the administration of the waters throughout the Province:

Therefore His Excellency the Deputy Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order, and doth hereby order and declare that the "Water Act, 1914, Amendment Act, 1920" (chap. 102, 10 Geo. V.), and the "Water Act, 1914, Amendment Act, 1921" (chap. 72, 11 Geo. V.), shall be effective for the purpose of the administration of the waters within the said Railway Belt, and that the said amendments shall apply, subject to the provisions of the Dominion Railway Belt Water Acts, as if they had been enacted by the Parliament of Canada.

[1191]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 12th day of April, 1921.

HIS EXCELLENCY THE DEPUTY GOVERNOR-GENERAL IN COUNCIL.

HIS Excellency the Deputy Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order as follows:—

The regulations governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the North-west Territories, within twenty miles on either side of the Canadian Pacific Railway in the Province of British Columbia, and the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia, established by Order in Council of the 1st July, 1898, and subsequent Orders in Council, are hereby rescinded, and the accompanying regulations are hereby made and established in lieu thereof.

RODOLPHE BOUDREAU,  
*Clerk of the Privy Council.*

### REGULATIONS

Governing the granting of yearly licences and permits to cut timber on Dominion lands in Manitoba, Saskatchewan, Alberta, the North-west Territories, within twenty miles on either side of the Canadian Pacific Railway in the Province of British Columbia, and the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia, approved by Order in Council of the 1st, July, 1898, and subsequent Orders in Council.

#### *Disposal of Licences.*

1. Licences to cut timber on Dominion lands in the Provinces of Manitoba, Saskatchewan, and Alberta, the North-west Territories, within twenty miles on either side of the main line of the Canadian Pacific Railway in the Province of British Columbia, and in the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia, lying east of the Rocky Mountains and adjoining the Province of Alberta, shall be disposed of by public auction at the office of the Dominion Timber Agent for the district in which the berths are situated.

2. Before any parcel of timber is offered for sale it shall be surveyed by a duly qualified Dominion land surveyor into berths of an area not exceeding twenty-five square miles, and each of such berths shall then be thoroughly cruised by a duly qualified timber-cruiser in the employ of the Dominion Government, who shall make as exact an estimate as possible of the quantity of timber on the berth, ascertain its general condition, its accessibility, and any other matters that may be necessary to determine the value of the timber and to enable the Minister of the Interior to fix an upset price, and shall furnish a report thereon under oath to the Minister. The Minister shall then fix an upset price at which the berths shall be disposed of which shall include the cost of survey, and no berth shall be sold at less than the price so fixed.

3. No licence shall be disposed of until notice of the sale has been given for a period of not less than sixty days in a newspaper published in the district in which the berth is located and also in a newspaper having a general circulation in the Province.

4. There shall be kept in the Department of the Interior at Ottawa a list of persons to whom notices of all sales of timber shall be sent. Any person making application in writing shall be entitled to have his name placed on the said list, and no names shall be removed therefrom until after the expiration of sixty days from the date of a notice to be given in writing to the person so named and sent by mail to his last-known address.

5. The notice of sale shall give the distinguishing number, the description and area of the berth, the upset price, the place, day, and hour at which such sale is to be held.

6. Purchases to the amount of one thousand dollars or under shall be paid one-half in cash at the time of the sale, and the balance in two equal instalments payable in three and six months thereafter.

Purchases over one thousand dollars and not exceeding five thousand dollars shall be paid one-third in cash at time of sale, and the balance in three equal instalments three, six, and nine months thereafter.

Purchases over five thousand dollars and not exceeding ten thousand dollars shall be paid one-quarter in cash at time of sale, and the balance in four equal instalments payable three, six, nine, and twelve months thereafter.

Purchases exceeding ten thousand dollars shall be paid one-fifth in cash at time of sale, and the balance in four equal instalments payable in three, six, nine, and twelve months thereafter.

The purchaser shall within ten days of the sale deposit with the Crown Timber Agent for the district a bond given by a guarantee company satisfactory to the Minister for the prompt payment of every unpaid instalment of the purchase price of the berth, together with interest at the rate of six per cent. per annum thereon.

7. Persons to whom berths are awarded at a sale shall sign a contract agreeing to carry out and complete the purchase on the terms and conditions of sale, according to the following form:—

District of \_\_\_\_\_, Berth No. \_\_\_\_\_, I, \_\_\_\_\_, of \_\_\_\_\_, having bid for the berth above named the sum of \$ \_\_\_\_\_, and said bid having been accepted, do hereby promise and agree to carry out and complete the same forthwith in accordance with the terms and conditions of sale as set forth in the notice of sale dated at \_\_\_\_\_ the \_\_\_\_\_ day of \_\_\_\_\_ and in the regulations for the disposal of timber under licence established by His Excellency the Governor-General in Council.

Witness:

*Licences.*

8. No licence for any timber berth shall be issued until the full amount of the purchase price and the ground-rent for the first year have been paid.

9. All timber licences shall expire on the thirtieth day of April next after the date on which they are granted.

10. The licence shall vest in the licensee, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber which he is entitled by the licence to cut, and which have been cut within the berth during the continuance thereof, whether such trees, timber, lumber, or other products be cut by authority of the licensee or by any other person with or without his consent; and shall vest in the licensee, as against any person other than the Crown in the right of the Dominion, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber cut within the berth during the continuance thereof by any other person without his consent; and shall entitle the licensee to seize in replevin, revendication, or otherwise, as his property, timber of any kind cut upon the berth where the same is found in possession of any unauthorized person, and also to bring any action or suit at law or in equity against any person unlawfully in possession of any such timber, or of any lands within the berth, and to prosecute any person to conviction and punishment for any offence in connection with such timber or land, and

all proceedings pending at the expiration of the licence may be continued and completed as if the same had not expired.

11. A licence shall be renewable from year to year while there is on the berth timber of the kind and dimensions described in the licence in sufficient quantity to be commercially valuable, if the terms and conditions of the licence and the provisions of the Dominion Lands Act and of the regulations affecting the same have been fulfilled:

Provided that such renewal shall be subject to the payment of such rental and due and to such terms and conditions as are fixed by the regulations in force at the time renewal is made.

12. When, in the opinion of the Minister, any portion of a timber berth has not a sufficient quantity of the kind and dimensions of timber specified in the licence for such berth to make it profitable to remove the timber upon such portion of the berth, and when, in the opinion of the Minister, such portion of the berth is not necessary for the proper working of the remainder of the berth, the Minister may withdraw such portion from the berth:

Provided that no withdrawal shall be made unless the licensee or his legal representative has had sixty days' notice thereof, and that upon such withdrawal the ground-rent shall be reduced in proportion to the area withdrawn.

13. If the Minister of the Interior ascertains, after an inspection has been made, that any land within a timber berth is fit for settlement and is required for that purpose, he may require the licensee to carry on the cutting of timber on the said land provided for by clause 32 of these regulations, and, on the expiration of the time within which the timber which the licensee is entitled to cut should be removed therefrom, may withdraw such land from the berth and from the operation of the licence covering it.

14. If at any time during the continuance in force of a licence any portion or tract of the lands thereby licensed as a timber berth is required for water-power purposes or as necessary in connection therewith, the Minister of the Interior, as the representative of the Crown therein, upon being satisfied that such portion or tract of the said lands is necessary for the purposes of the said water-power, may decide that such portion or tract should be withdrawn from the lands so licensed, and thereupon the said portion or tract shall be forthwith withdrawn from the said lands and from the operation of the said licence; upon the condition, however, that the lessee or lessees of the said water-power, his or their executors, administrators, or assigns, shall and will pay to the licensee of the berth, his executors, administrators, or assigns, the value of all timber of ten inches and over in diameter at the stump on the portion or tract so withdrawn, the value of such timber, in case of dispute, to be fixed by the Minister of the Interior.

15. If, in consequence of any incorrectness in survey, or other error or cause whatever, a timber berth is found to comprise lands included in another berth awarded at a prior date, or any lands sold, granted, leased, or lawfully set apart for any other purpose under these regulations or the Dominion Lands Act, the latter berth shall be void in so far as it interferes with any previous sale, grant, or setting apart.

When the boundary line or lines of a licensed berth or any portion of such lines have not been fully surveyed or have become obliterated from any cause, the Minister may require the licensee, at his own expense, to survey any portion of such lines as has not been heretofore surveyed, or to re-establish upon the ground any lines that have become so obliterated.

16. Any right to a timber berth cannot be assigned or transferred without the consent of the Minister of the Interior. The fee for the registration of an assignment of a timber berth or of any interest therein shall be at the rate of one dollar for each square mile covered by the assigned portion of the berth, but in no case shall such fee be less than three dollars.

#### Form of Timber Licence.

17. The following is the form of licence to be issued for timber berths:—

Know all men by these presents that, by virtue of the authority vested in me by the Dominion Lands Act, and by an Order of His Excellency the Governor-General in Council of the \_\_\_\_\_ day of \_\_\_\_\_, I, \_\_\_\_\_, the Minister of the Interior of Canada, do hereby in consideration of the sum of \_\_\_\_\_, ground-rent, now paid to me for the use of His Majesty King George the Fifth, and in consideration of the dues hereinafter mentioned, give unto \_\_\_\_\_ (hereinafter called the "licensee"), his executors and administrators, full right, power, and licence, subject to the conditions hereinafter mentioned and contained, and such other conditions and restrictions as are in that behalf contained in the Dominion Lands Act and the amendments thereto, and in the regulations respecting timber passed by the Governor-General in Council, to cut timber on the following tract of land (hereinafter called the "berth" or "berths"), that is to say:—

and to take and keep exclusive possession of the said lands, except as hereinafter mentioned, for and during the period of one year from the first day of May, \_\_\_\_\_, to the thirtieth day of April, \_\_\_\_\_, and no longer.

This licence shall vest in the licensee, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber which he is entitled by the licence to cut, and which have been cut within the berth during the continuance thereof, whether such trees, timber, lumber, or other products be cut by authority of the licensee or by any other person with or without his consent; and shall vest in the licensee, as against any person other than the Crown in the right of the Dominion, subject to the conditions mentioned in the licence, all right of property whatsoever in all trees, timber, lumber, and other products of timber cut within the berth during the continuance thereof by any other person without his consent; and shall entitle the licensee to seize in replevin, revendication, or otherwise, as his property, all timber of any kind cut upon the berth where the same is found in the possession of any unauthorized person, and also to bring any action or suit at law or in equity against any person unlawfully in possession of any such timber or of any lands within the berth, and to prosecute any person to conviction and punishment for any offence in connection with such timber or land, and all proceedings pending at the expiration of the licence may be continued and completed as if the same had not expired.

This licence is subject to the following conditions and restrictions in addition to such of the conditions and restrictions as are in that behalf contained in the Dominion Lands Act and the amendments thereto, and in the regulations respecting timber passed by Order of His Excellency the Governor-General in Council:—

(a.) That the licensee shall not have the right thereunder to cut timber of a less diameter than ten inches measured eighteen inches from the ground, except such as may be actually necessary for the construction of roads and other works to facilitate the taking-out of merchantable timber, and shall not have the right to cut any trees that may be designated by the proper officer of the Department of the Interior as required to provide a supply of seed for the reproduction of the forest.

(aa.) All merchantable timber of the class authorized to be cut under licence shall be cut and taken from a berth as cutting progresses, and any timber of that class left uncut and unremoved after a date named in a notice served on the licensee or his authorized agent shall be estimated in feet board measure by a Dominion Timber Inspector, and shall be subject to payment to the Department, on demand, of ordinary royalty dues.

In the event of timber upon a licensed berth of the class authorized to be cut becoming fire-killed or dead, in the judgment of the Timber Inspector, the Minister may require the licensee to cut and remove the same, and all such timber left uncut

and unremoved from the berth after a date named in a notice served upon the licensee or his authorized agent shall be estimated in feet board measure by a Timber Inspector, and the licensee shall pay dues thereon as provided in the regulations according to such estimate.

(b.) The licensee shall be entitled to a renewal of his licence from year to year while there is on the berth timber of the kind and dimensions described in the licence in sufficient quantity to be commercially valuable, if the terms and conditions of the licence and the provisions of the Dominion Lands Act and of the regulations affecting the same have been fulfilled:

Provided that such renewal shall be subject to the payment of such rental and dues and to such terms and conditions as are fixed by the regulations in force at the time renewal is made.

(c.) When, in the opinion of the Minister, any portion of a timber berth has not a sufficient quantity of the kind and dimensions of timber specified in the licence for such berth to make it profitable to remove the timber upon such portion of the berth, and when, in the opinion of the Minister, such portion of the berth is not necessary for the proper working of the remainder of the berth, the Minister may withdraw such portion from the berth:

Provided that no withdrawal shall be made unless the licensee or his legal representative has had sixty days' notice thereof, and that upon such withdrawal the ground-rent shall be reduced in proportion to the area withdrawn.

(d.) If the Minister of the Interior ascertains, after an inspection has been made, that any land within the berth hereby licensed is fit for settlement and is required for that purpose, he may require the licensee to carry on the cutting of timber provided for by clause 32 of the timber regulations on the said land, and, on the expiration of the time within which the timber which the licensee is entitled to cut should be removed therefrom, may withdraw such land from the berth and from the operation of the licence covering it, and upon such withdrawal the ground-rent shall be reduced in proportion to the area withdrawn.

(e.) That the licensee shall take from every tree he cuts down all the timber fit for use and manufacture the same into sawn lumber or some other saleable product, and shall dispose of the tops and branches and other debris of lumbering operations in such a way as to prevent as far as possible the danger of fire, in accordance with the directions of the proper officers of the Department of the Interior. Failure on the part of the licensee will subject him to the penalty of having his manufactured timber seized and his bush operations closed down.

(f.) That the licensee shall prevent all unnecessary destruction of growing timber on the part of his men and exercise strict and constant supervision to prevent the origin and spread of fire, and shall also comply, during the term of the licence and of any renewal thereof, with all regulations made in that respect by the Governor in Council and with all laws and regulations in that respect in force in the Province or Territory in which the berth is situate.

(g.) That the licensee shall furnish to the Dominion Timber Agent having jurisdiction in the matter, at such periods as may be required by the Minister of the Interior or by regulations under the Dominion Lands Act, returns sworn to by him or his agent or employee cognizant of the facts, showing the quantities manufactured, sold, or disposed of, of all sawn lumber, timber, or any other product of timber from the berth in whatever form the same may be sold or otherwise disposed of by him during such period, and the price or value thereof.

(h.) That the licensee shall pay, in addition to the said ground-rent, dues in the manner prescribed in section 20 of the Timber Regulations, and also one-half of the cost incurred by the Crown in guarding the timber from fire, the Government paying the other half. A statement will be furnished the licensee showing his share of the cost incurred, and

payment thereof shall be made to the Crown within thirty days thereafter.

(i.) That the licensee shall keep a "Lumber Sales Book" in which shall be entered all sales of the products of the berth, both cash and credit sales, also a book accounting for the number of feet of sawn lumber manufactured each day at the mill, with the day and date; all books and memoranda kept at the logging camps shall be carefully preserved, and these and other books kept by the licensee in connection with his lumbering business he shall submit for the inspection of the Dominion Timber Agent or other officer of the Crown whenever required for the purpose of verifying his returns aforesaid.

(j.) This licence shall be subject to the right of the Crown to deal, in accordance with the provisions of the said Act and the regulations made under it by the Governor in Council, with any and all stone, coal, and other minerals found within the limits of the berth licensed; and the Crown shall have the right, in dealing as above provided with any stone, coal, or other minerals in lands licensed as timber limits, to authorize the persons to whom such stone, coal, or other minerals are granted to take possession of and occupy such extent of the land so licensed as is necessary to work such stone, coal, or other minerals, and to open necessary roads through any such timber berth, paying the licensee of the berth the value of any and all timber of a diameter of ten inches at the stump and upwards necessarily cut in making such roads or in working the quarries or mines, such value in case of dispute to be fixed by the Minister of the Interior; and the provisions of this clause shall operate retrospectively; that is to say, they shall apply to all licensees of timber berths heretofore granted under any Act respecting Dominion lands as if they had been contained in such Act when it was passed.

(k.) This licence shall also be subject to the right of the Crown to withdraw at any time from the said timber berth any portion or tract of the lands comprising it which is required for water-power purposes or is necessary in connection therewith by the lessee or lessees of the water-power, their executors, administrators, or assigns, and which the Minister of the Interior, as the representative of the Crown therein, shall decide to be necessary for such water-power purposes, and which for such purposes shall be so withdrawn from the said lands and from the operation of the said licence; upon the condition, however, that the lessee or lessees of the said water-power, his or their executors, administrators, or assigns, shall and will pay to the licensee of the berth, his executors, administrators, or assigns, the value of all timber of ten inches and over in diameter at the stump on the portion of the tract so withdrawn; the value of such timber, in case of dispute, to be fixed by the Minister of the Interior.

(l.) This licence shall be subject to forfeiture on the order of the Minister for violation of any of the conditions to which it is subject or for any fraudulent return:

Provided that in case the Minister shall decide to exercise the power of forfeiture conferred by this section, the licensee shall have the right, within ninety days of formal notification to him in writing by the Minister of his intention to declare such forfeiture, and which notification shall be deemed to be sufficient if addressed to the place last known to the Minister as the address of the licensee, to appeal against such notification of forfeiture to the Judge of any competent Court of the district having jurisdiction in matters of contract. The licensee shall, within ninety days of the notification to him by the Minister, notify the Minister in writing and appeal taken, and pending the report within reasonable delay from the Judge on the question of appeal, no declaration of forfeiture shall be made by the Minister. The Judge to whom appeal is taken shall report to the Minister his finding in the case, and on receipt of such report the Minister may proceed under this section in accordance with his finding; and in case the finding be in favour of the Minister the Judge shall, when transmitting his report, issue a summons directed to the appellant calling upon him forthwith to vacate or abandon or to cease

using the berth, and if, upon the return of the summons, it appears that he has not vacated or abandoned or ceased using the said berth, the Judge shall make an order on warrant for his summary removal from the berth, and the said order or warrant shall be executed by the sheriff, bailiff, constable, or other person to whom it is delivered:

Provided that such report by the Judge shall be appealable by either side in like manner as any other decision of the said Court:

And provided further that, if the violation of the regulations refers merely to payment of money due under the licence, the Minister may waive the power of forfeiture on payment of double the amount found by the Judge to be due and costs, and may enforce payment in the manner provided for by the Dominion Lands Act and the Timber Regulations, and take such action in regard to all other matters of forfeiture as may arise and be provided for by this section and the Dominion Lands Act.

(m.) (1.) If any railway company becomes entitled to a grant from His Majesty or his successors of any portion of the lands hereby demised for the road-bed of the company's railway or branches thereof, or for stations, station-grounds, work-shops, dockyards, and water-frontages on navigable rivers, or building-yard or for other purposes required for the convenient, necessary, and effective construction and working of the company's railway or any of its branches, and if His Majesty or his successors grant the same to such railway company, the land so granted shall from and after the date of such grant cease to be under the operation of this licence and to be part of the lands hereby demised; but the licensee or his legal representatives shall be at liberty to remove all property belonging to him or them and all timber then cut thereon from the land so granted; and shall also be entitled to cut and remove from the said land so granted, as his or their own property, all trees then standing thereon or the timber obtained therefrom; provided that such property and cut timber, or property, cut timber, and standing trees or the timber obtained therefrom, are promptly removed from the said land upon receipt by the licensee or his legal representatives of notice from the railway company to remove such property and cut timber or to cut and remove such standing trees so as not to hinder or interfere with any work being done or about to be done by the railway company for the convenient, necessary, and effective construction and working of the company's railway or of any of its branches; provided, also, however, that if the licensee or his legal representatives do not so remove such property or cut timber, or so cut and remove such standing trees or the timber obtained therefrom, the railway company may do so, and all cut timber and standing trees or timber obtained therefrom which have so to be removed or cut and removed by the railway company shall be the property of the Crown and be disposed of as the Governor in Council, upon the report of the Minister of the Interior, may decide to be fit and proper.

(2.) If any railway company becomes entitled to a grant from His Majesty or his successors of any portion of the lands hereby demised as part of its land subsidy as provided for by any Statute of Canada, and if His Majesty or his successors grant the same to such railway company, the land so granted shall from and after the date of such grant cease to be under the operation of this licence and to be part of the lands hereby demised, but the licensee or his legal representatives shall be at liberty to remove all property belonging to him or them and all timber then cut thereon from the land so granted.

(3.) From the date any parcel of land is granted to any railway company, and is so withdrawn from the operation of this licence, the ground-rent hereby provided to be paid shall be reduced in proportion to the area withdrawn.

(n.) (1.) In any case where waters flowing through, over, or along, or having their source in, any timber berth, empty into any stream, or are tributary to any stream from which a domestic or municipal water-supply is or may be obtained, or in any case where the pollution of any such waters

may, in the opinion of the Minister, deleteriously affect any municipal or domestic water-supply, the licensee of such timber berth shall comply with the following regulations:

- (a.) Locate all camp buildings, outhouses, cess-pools, and other structures at a sufficient distance from any stream, lake, or other source of water-supply to prevent the pollution of such municipal or domestic water-supply:
- (b.) Immediately remove and bury or burn any camp refuse or debris of any description or any substance which would be likely to cause the pollution of any such waters, and otherwise keep the ground in the vicinity of all logging camps in a neat, orderly, and sanitary condition:
- (c.) Prevent any depositing, leaving, or accumulating in any stream, lake, or other source of water-supply within the berth, or in an exposed or unsanitary condition on the berth, any debris of any description or any substance which would be likely to cause the pollution of such waters:
- (d.) Prevent the depositing or leaving by any person employed or purporting to be employed about the berth, or the accumulation as a result of any operations carried on by reason of the licence in any stream, lake, or other source of such water-supply on any Dominion lands whatever, or in any exposed unsanitary condition on any such lands, of any such debris or substance:
- (e.) Observe all laws and regulations respecting sanitation and the protection of the purity of waters which are applicable to the premises, or any regulations which may be promulgated by the Governor in Council; and also comply with any requirements which may be made by the Minister for the purpose of carrying out the above provisions.

(2.) For each infraction of the provisions of clause (1) hereof the licensee shall, in addition to the other penalties provided in the said regulations, be liable, on summary conviction, to a penalty not exceeding one hundred dollars, and such sum shall be recoverable with costs at the suit of and in the name of the Crown.

(o.) This licence cannot be assigned or transferred without the consent of the Minister of the Interior.

(p.) The licence shall have in operation within one year from a date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step necessary or expedient in the public interest, and keep in operation for at least six months of each year of his holding, a sawmill in connection with the berth herein described capable of cutting in one day a thousand feet board measure for every two and one-half square miles of the area licensed.

(q.) Any notice, demand, or other communication which His Majesty or the Minister of the Interior may require or desire to give or serve upon the licensee may be validly given and served by the Controller of the Timber and Grazing Lands Branch or by the Secretary or Assistant Secretary of the Department of the Interior.

Dated at Ottawa this                      day of                      ,  
one thousand nine hundred and                      .

*Deputy Minister of the Interior.*

I accept this licence and agree to all the terms and conditions thereof.

*Licensee.*

#### *Rental and Dues.*

18. The licensee shall pay an annual ground-rent of ten dollars per square mile, except for lands situated to the west of Yale, in the Province of British Columbia, in which case the yearly ground rental shall be ten cents per acre.

19. Within thirty days from the date of awarding a timber berth the person in whose favour it is awarded shall pay the rent for the year in advance, and if not then paid the said rent shall

bear interest at the rate of seven per centum per annum from that date until the same is paid.

20. The licensee shall pay the following dues on timber cut upon his licensed berth:—

Fence-posts (split) not exceeding 7 ft. long and average of 5 in. at top end .....	¾c. each.

And ten per cent. royalty dues on all other products of manufacture not enumerated.

(a.) Sawlogs cut on timber berths in Manitoba, Saskatchewan, Alberta, the North-west Territories, and the Peace River tract in the Province of British Columbia controlled by the Dominion Government shall be paid for on the product of manufacture thereof, and those cut within the Railway Belt of British Columbia on the feet board measure according to the British Columbia log-scale.

21. One-half the cost incurred by the Crown for guarding the lumber from fire shall be defrayed by the licensee thereof, the Crown defraying the other half.

22. All ground-rents, royalties, or other dues on timber cut within the boundaries of any timber berths which are not paid at the time when they become due shall bear interest at the rate of seven per centum per annum until paid, and shall be a lien on any timber cut within such limits or on other Dominion lands by the licensee or his agents; and in case of such non-payment—whether in consequence thereof the licence of the berth has or has not been cancelled—the Dominion Timber Agent or other person authorized thereto may, with the sanction of the Minister of the Interior, seize so much of the timber cut on such berth or other Dominion lands by the licensee or his agent as will, in his opinion, be sufficient to secure the payment of such rent or royalty and all interest and expenses of seizures and sale, and may detain the same as security for the payment thereof; and if payment is not made within three months after such seizure, he may, with the sanction of the Minister of the Interior, sell such timber by public auction; and after deducting the sum to the Crown, the interest thereon, and expenses aforesaid, he shall pay over the balance, if any, to the licensee, if the timber was in his possession at the time of seizure, or, if it was not, to the person who had possession thereof at the time:

Provided that if no bid equal to the amount due the Crown is made at such public auction such timber may be disposed of at private sale.

23. All timber cut under licence or permit shall be liable for the payment of the Crown dues thereon, whenever and wherever the said timber or any part of it is found, whether it is or is not converted into deals, boards, or other manufacture of wood; and all officers or agents employed in the collection of such dues may follow all such timber and may seize and detain it wherever it is found until the dues thereon are paid or secured, as provided in the next preceding section.

24. If the payment of the dues of any timber has been evaded by any licensee or other person, by the removal of such timber or products out of Canada, or otherwise, the amount of dues so evaded and any expenses incurred by the Crown in enforcing payment of the said dues under the Dominion Lands Act may be added to the dues remaining to be collected on any other timber cut on any timber berth by the licensee or by his authority, and may be levied and collected or secured on such timber, together with such last-mentioned dues, in the man-

ner hereinbefore provided; or the amount due to the Crown, of which payment has been evaded, may be recovered by action or suit in the name of the Minister of the Interior or his agent in any Court of competent jurisdiction.

25. The Minister of the Interior may take or authorize the taking of bonds or promissory notes for any money due to the Crown as aforesaid, or, in his discretion, for double the amount of any dues, penalties, and costs incurred or to be incurred, and may, if it is under seizure, then release any timber upon which the same would be leviable, but the taking of such bonds or notes shall not affect the right of the Crown to enforce payment of such money, and the debt shall be a lien on any timber cut on the same or any other berth by the licensee or by his authority if the sum for which such bonds or notes are given is not paid when due.

#### *Returns of Manufacture.*

26. The licensee shall in each year furnish to the Dominion Timber Agent having jurisdiction in the matter, at such periods as may be required by the Minister of the Interior, returns sworn to by him or his agent or employee cognizant of the facts, showing the quantities manufactured, sold, or disposed of, of all sawn lumber, timber, or any other product of timber from the berth, in whatever form the same may be sold or otherwise disposed of by him during such period, and the price or value thereof.

27. Licensees are required to keep a bush count of all sawlogs and other timber cut upon a berth, as well as the number of pieces hauled therefrom, in the form of a book to be furnished for the purpose by the Crown Timber Agent. The books covering operations for twelve months ending the 30th April in each year are to be returned to the said agent duly completed by the foreman in charge of operations, who shall subscribe to the affidavit therein.

(a.) All sawlogs and other timber cut upon a licensed or permit berth, or upon unpatented homestead lands within the Railway Belt of the Province of British Columbia, whether merchantable or cull, must be clearly marked with a distinguishing number on scaling end with crayon, chalk, or pencil at the time of scaling.

Numbering will be necessary even when the logs will be sawn immediately or before being placed in the water. The scale of each log and length will be entered opposite its number in consecutive order in a scale-book, cull logs being identified by the addition of the letter "C."

Where operations are carried on to such an extent as to require the use of more than one scale-book, the books are to be numbered serially with letters of the alphabet in the order in which they are used. These books are to be carefully preserved by the licensee for the inspection by the Crown Timber Agent or other officer of the Crown.

No person is authorized to scale timber cut upon Dominion lands other than those authorized in writing by the Minister or his appointed agent.

(b.) The requirements in the next preceding sub-clause will not apply to timber cut on Dominion lands within the Railway Belt lying south of a line drawn east and west from the town of Yale.

All timber cut within said tract which is subject to Crown dues shall be sealed by a Dominion Timber Sealer holding a sealer's licence from the British Columbia Government, and in accordance with the British Columbia log rule.

(c.) The following fees, to which shall be added reasonable expenses, shall be paid for the sealer's services by the licensee or permittee conducting operations:—

For scaling sawlogs and spars, 5 cents per thousand feet board measure; for measuring piles and poles, 5 cents for each 200 lineal feet; for measuring railway-ties, pulp-wood, shingle-bolts, or cordwood, 5 cents for each cord of 128 cubic feet.

When the fees and reasonable expenses are not paid promptly on completion of the work, the amount due shall be made a lien upon the timber with respect to which the work was done, or upon the berth from which the timber was taken.

In the event of a licensee or permittee disputing the Inspector's scale, on application to the Crown Timber Agent for the district, a resale of the timber will be made by another Dominion scaler, and in such case the person requiring his services must pay such additional expenses or cost as may be occasioned thereby:

Provided that if the original scale made be proved inaccurate to an extent of five per cent. on the total scale, a second charge for the work shall not be made.

(d.) The scaling officer shall deliver a copy of any scale made by him to the owner of the timber scaled, upon demand and upon payment of his fees and expenses.

(e.) The Crown Timber Agent or other duly authorized officer of the Department shall act as arbiter in any dispute that may arise between a licensee or permittee and the official scaler as to the measurements of any timber, and his award shall be binding upon all parties without appeal.

(f.) All diameters of logs shall be measured inside of the bark at the top end of the log.

(g.) No timber or sawlogs shall be manufactured or sawn until the same have been scaled in accordance with the requirements of these regulations, and any person violating this provision shall be liable to have such timber or product of manufacture therefrom seized and forfeited, wholly or in part, to the Crown, or pay dues thereon at the rate of five dollars per thousand feet board measure, according as the Minister may direct.

28. It is required that all licensees, through themselves, their scalers and foremen, shall furnish proof on oath on the first day of May each year, or at such other time as the Minister of the Interior may direct, as to the exact locality, by a ground sketch, where all timber cut by themselves and others, to their knowledge, upon timber berths held or occupied by him or them, respectively, has been cut.

29. All timber before being put into any stream or lake to be floated to the mill must be marked with a stamp furnished by the licensee and approved by the Dominion Timber Agent, a copy of said stamp to be placed on record in the Dominion Timber Office.

Timber not so marked in a conspicuous place may be seized by the Crown and confiscated, or penalty dues charged thereon, as the Minister may decide.

30. On the arrival of any raft or parcel of timber or sawlogs, cut or taken from Dominion lands, at the place where the same is to be manufactured or sold, and before the same becomes mixed with other timber or sawlogs, the owners or persons in charge thereof shall report the same to the Dominion Timber Agent having jurisdiction in the matter, making, if required, declaration upon oath as to where the said timber was cut, the number of pieces and the description of each kind of wood contained in such raft or parcel of timber and contents thereof in board measure, and should the Dominion Timber Agent not be satisfied with the correctness of such report, he shall cause a strict count and scale to be made of the timber in such raft; and on being satisfied of the correctness of such report or count, the Dominion Timber Agent may grant a clearance in due form for such raft, when the same may be at the disposal of the owner or person in charge of the same. Should the number of pieces given in the report of the owner or person in charge be found by the specification of measurement to contain a greater number of pieces or contain a greater number of feet in board measure than is given by the owner's or agent's report, the surplus number of pieces or overplus, if not satisfactorily explained, shall be held as having been cut on Dominion lands without authority and subject to payment of dues accordingly. This clause only to have force in case of a licensee making payment of dues on the quantity of lumber contained in the timber or sawlog by log-scale.

#### *Manufacture.*

31. All timber taken from berths acquired under the provisions of these regulations shall be manufactured within the Dominion of Canada, and all timber taken from a berth in Manitoba, Saskatche-

wan, Alberta, or the North-west Territories must be manufactured at the sawmill of the licensee to be operated in connection with the berth as prescribed by section 32 of these regulations, unless permission otherwise is given by the Minister of the Interior as provided by the said section.

32. The licensee shall have in operation within one year from the date when he is notified by the proper officer of the Department of the Interior that the Minister of the Interior regards such a step as necessary or expedient in the public interest, and keep in operation for at least six months of each year of his holding, a sawmill in connection with his berth capable of cutting in one day one thousand feet board measure for every two and a half square miles of the area licensed, or shall establish such other manufactory or wood goods as the Minister of the Interior accepts as equivalent thereto:

Provided, however, that notwithstanding anything in these regulations, a licensee may in lieu of erecting a mill be permitted to have the timber cut from the berth or berths held by him manufactured at a mill which is not his own property, provided that he cuts from the said berth or berths at the rate of one hundred thousand feet annually for each square mile held by him under licence.

#### *Cutting Timber without Authority.*

33. If any person without authority or in contravention of the Timber Regulations cuts or employs or induces any other person to cut or assist in cutting any timber of any kind on Dominion lands, or removes or carries away or employs or induces or assists any person to remove or carry away any timber of any kind so cut, he shall not acquire any right to such timber, or any claim for remuneration for cutting the same, preparing the same for market, or conveying the same towards market; and when the timber has been removed out of the reach of the timber officers, or it is otherwise found impossible to seize it, he shall incur a penalty not exceeding three dollars for each tree which, or any part of which, he is proved to have cut or carried away or assisted to cut or carry away; and such sum shall be recoverable with costs, at the suit and in the name of the Crown, in any Court having jurisdiction in civil matters to the amount of the penalty; and in all cases the burden of proof of authority to cut and take the timber shall lie on the person charged, and the averment of the person seizing or prosecuting that he is duly employed under the authority of the Dominion Lands Act shall be sufficient proof thereof, unless the defendant proves the contrary.

34. Whenever any timber agent or officer receives satisfactory information, supported by an affidavit or solemn declaration made before a Justice of the Peace or before any other competent officer or person, that any timber had been cut on Dominion lands without authority or in contravention of the timber regulations, or if any timber officer or agent, from other sources of information or his own knowledge, is aware that any timber has been cut without authority on any such lands, he may seize or cause to be seized the timber so reported or known to be cut wherever it is found, and place the same under proper custody until the matter is decided by competent authority.

35. If the timber reported or known to have been cut without authority or in contravention of the Timber Regulations has been made up with other timber into a crib, dam, or raft, or in any other manner has, at any mill or elsewhere, been so mixed up with other timber as to render it impossible or very difficult to distinguish the timber so cut without authority from the other timber, the whole shall be held to have been cut without authority, and shall be liable to seizure and forfeiture accordingly unless the holder separates to the satisfaction of the timber agent the timber cut without authority from the other.

36. Whenever any timber agent or other officer or agent is in doubt as to whether any timber has or has not been cut without authority or in contravention of the Timber Regulations, or is or is not liable to dues on the whole or any part thereof, he may inquire of the person or persons in posses-

sion or in charge of such timber as to when and where the same was cut; and if no satisfactory explanation, on oath or otherwise as he requires, is given to him, he may seize and detain such timber until proof is made to the satisfaction of the Minister of the Interior, or of such timber agent or officer, that such timber was not cut without authority, and is not liable, either in whole or in part, to dues of any kind; and if such proof is not made within thirty days after such seizure, such timber may be dealt with as timber cut without authority, or on which the dues have not been paid, according to the circumstances of the case; and the dues thereon may be recovered as hereinbefore provided.

37. If any timber or any product thereof is seized under the provisions of the Dominion Lands Act by any timber agent or officer, he may allow such timber or product thereof to be removed and disposed of on receiving sufficient security, by bond or otherwise to his satisfaction, for the full value thereof, or, in his discretion, for payment of treble the rate charged as permit dues on the timber or product thereof so seized.

38. (1.) All timber seized under the Dominion Lands Act shall be deemed to be forfeited, unless the owner thereof or the person from whom it was seized, within one month from the day of the seizure, gives notice to the seizing officer or to the timber agent or officer under whose authority the seizure was made that he intends to contest the seizure; and if, within fifteen days thereafter, the claimant has not instituted proceedings before a Court of competent jurisdiction to contest the seizure, or if the decision of the Court is against him, or if the claimant fail duly to prosecute such proceedings in the opinion of the judge before whom such case is tried, who may for that cause dismiss the suit on the expiration of three months from the date on which it was instituted, the timber may be confiscated and may, after thirty days' notice posted up at the place where the same is confiscated, be sold at public auction by order of the Minister of the Interior.

(2.) The Minister of the Interior may, if he sees cause for so doing, instead of confiscating timber cut on Dominion lands without authority or in contravention of the Timber Regulations, impose a penalty which, in addition to all costs incurred, shall be levied on such timber; and in default of payment of the whole on demand, he may, after a notice of fifteen days, sell such timber by public auction, and may, in his discretion, retain the whole proceeds of such sale, or the amount of the penalty and costs only.

(3.) In the event of there being no bid equal to the amount due the Crown for timber put up at public auction under this section, the Minister may dispose of the same by private sale.

39. Whenever any timber is seized for non-payment of dues, or for any cause of forfeiture, or any prosecution is instituted for any penalty of forfeiture under the Dominion Lands Act, and any question arises as to whether the said timber was cut on other than Dominion lands, the burden of proving payment, or of proving on what land the said timber was cut, shall lie on the owner or claimant of such timber.

40. Any officer or person seizing timber in the discharge of his duty under the Dominion Lands Act may, in the name of the Crown, call in any assistance necessary for securing and protecting the timber so seized.

#### *Timber Permits and Dues.*

41. In the Provinces of Manitoba, Saskatchewan, and Alberta, in the Peace River tract in the Province of British Columbia controlled by the Dominion Government, the Minister of the Interior may grant:—

(1.) Permits to owners of sawmills to cut lumber, shingles, and lath over a definitely described tract of contiguous lands not exceeding one square mile in extent, on payment of Crown dues at the rates fixed by section 43 of those regulations, subject also the payment of rental of twenty-five dollars per annum for each quarter-section. Permits for this class of berth shall expire on the

thirtieth day of April after date of issue, but will be subject to renewal from year to year for a period not exceeding four years thereafter; provided all the conditions of the regulations applicable thereto have been met by the permittee; also that such renewal shall be subject to the payment of such rental and dues and to such terms and conditions as are fixed by the regulations in force at the time the renewal is made.

Before a person becomes eligible to apply for a portable sawmill berth he shall be the owner of a sawmill, which mill he will require to have in actual operation in connection therewith within three months from the date of the issue of the permit therefor, or the same shall be subject to cancellation. In the event of the permittee not operating to a reasonable extent upon the lands covered by the permit during the continuance thereof, of which the Minister of the Interior shall be the sole and final judge, the permit shall become null and void and the berth cancelled.

An application for a portable sawmill berth shall only be granted on receipt of a report from the local Timber Inspector, approved by the Crown Timber Agent, to the effect that the granting of a berth is a necessity in order to provide lumber and other building material for residents in the surrounding district.

(a.) Holders of portable sawmill berths may sell the products of their manufacture in the open market to dealers for reselling same. Any infringement of this regulation will subject the timber illegally sold to seizure and the imposition of seizure dues or confiscation.

(b.) Holders of portable sawmill berths situated in districts where there is a market for cordwood will be required to cut the tops of trees felled in logging operations into cordwood or some other saleable product, on which dues will be chargeable at the rates set forth in section 43 of these regulations. All timber waste left on the ground following cutting operations must be disposed of in such a manner as to prevent the spread of fire, and to the satisfaction of the Crown Timber Agent or officer of the Department appointed to examine into the matter. Failure on the part of the permittee will subject him to the penalty of having his manufactured timber seized and his bush operations closed down.

(c.) The berth-holder shall be required to pay at date of issue of permit not less than twenty per cent. in advance of the dues on the timber covered by the permit, which shall be the estimated quantity to be cut thereunder during the continuance thereof, which quantity shall not be exceeded unless covered by an additional permit.

(d.) If the land upon which a permit is applied for is surveyed, the boundaries must conform to survey-lines. In the case of unsurveyed land, the berth shall be laid off in a rectangular block based on a due east and west magnetic line. The length of a berth shall not exceed twice its width; it shall be well blazed throughout and shall be accepted as satisfactory to the Crown Timber Agent and officer deputed by him to make the inspection.

(e.) A person who is the owner, in whole or in part, of a berth held under licence, or the holder of a portable sawmill permit, is not eligible to obtain a portable sawmill berth, and the applicant must submit an affidavit to the Crown Timber Agent for the district according to the following form:—

#### *Affidavit.*

I, \_\_\_\_\_, of \_\_\_\_\_, the applicant for a portable sawmill covering \_\_\_\_\_, Section \_\_\_\_\_, Township \_\_\_\_\_, Range \_\_\_\_\_, West, make oath and say:—

1st. That I am the owner of a sawmill having a daily capacity of \_\_\_\_\_ ft. B.M.

2nd. That the timber that may be cut under authority of the permit applied for will all be manufactured into lumber, shingles, or lath.

3rd. That I will render to the Crown Timber Agent having jurisdiction in the matter sworn returns made quarterly, accounting for the number of pieces of round timber cut upon the berth and the number manufactured and the product thereof, the quantity sold and that on hand, and will pay dues on the amount of the products manufactured.

4th. That my cutting will be made clean and out of face as it progresses, and all timber, including poplar, suitable for manufacture will be taken down to seven inches at the stump and cut not higher than fifteen inches from the ground.

5th. That I am not materially interested in a licensed or other portable sawmill berth.

#### Permit Berths.

(2.) Permit berths may be granted on a section of surveyed land or a fraction thereof, whereon the timber suitable for lumber purposes does not exceed fifteen thousand feet B.M. on any quarter-section, for the purpose of cutting cordwood, pulp-wood, fence-posts, telegraph-poles, or any other product of manufacture, on payment in advance of rental of twenty-five dollars for each quarter-section or fraction thereof per annum.

Not more than one permit berth can be held by an individual or firm at the same time.

The permit shall be subject to the conditions and requirements laid upon the holder of a portable sawmill berth as set forth in preceding clauses in regard to tenure of holding, the cutting of timber, making returns and payment of rental and royalty dues.

The holder of a permit berth may sell the products of his manufacture in the open market.

(3.) within the Railway Belt in British Columbia, but if the timber is cut in Manitoba, Saskatchewan, Alberta, the North-west Territories, or the Peace River tract in the Province of British Columbia controlled by the Dominion Government, returns are to be made of the quantity of lumber manufactured from the timber cut.

(b.) Owners and operators of mines may be granted permits to cut such timber as they may require in the development of their mines on payment of dues as follows:—

Timber 9 in. in diameter and over

at butt end ..... 2c. per lin. ft.

Timber 5 in. and under 9 in. at diameter at butt end ..... ¾c. per lin. ft.

at butt ..... \$1 per cord.

Mine cross-tie 5 in. face and under ½c. per lin. ft.

43. An office fee of one dollar shall be charged for each permit, and all timber cut on Dominion lands under permit shall be manufactured within the Dominion of Canada.

44. Issuers of permits will be instructed by the Minister of the Interior as to the quantity of timber that will be granted and also what proportion of dues shall be deposited on the issue of permit as a guarantee on the part of those obtaining the same.

45. Besides the dues above specified, grantees of permits may be called upon to pay such additional sum as the Minister may judge necessary to meet their proportion of any expenses incurred or that may be incurred by the Department in making a survey or other demarcation on the ground of the boundaries within which such permits are to be operative.

46. Permits shall set forth that those obtaining them must conform to the conditions, terms, and requirements specified in the same, and carefully restrict their cutting to the lands described therein, and any breach thereof will subject the offender to all the pains and penalties in that behalf prescribed by the Dominion Lands Act and these regulations.

47. Permittee shall cut up the whole of the trees felled in such a way that there shall be no waste, and to prevent the spread of prairie or bush fires the refuse (i.e., the tops and branches unfit either for rails or firewood) shall either be lopped off so that they will lie flat on the ground, or shall be piled together in a heap and burnt, and not left scattered through the bush.

Failure to comply with this requirement will subject the permittee to the penalty of having his timber seized and held, and finally confiscated, provided the requirement is not fulfilled within sixty days of date of seizure notice served on him, and the privilege of obtaining any further permits by him shall be withdrawn.

Permits issued to holders of berths shall contain a clause to the effect that one-half the cost of fire-guarding the timber shall be defrayed by the holders thereof, the Crown defraying the other half.

Owners of steamboats plying on waters within the boundaries of Manitoba, Saskatchewan, Alberta, the North-west Territories, the Railway Belt in the Province of British Columbia, and the tract of three and a half million acres controlled by the Government of the Dominion in the Peace River District in the Province of British Columbia may be granted permits to cut wood for consumption on their boats, on payment of dues at the rate of fifty cents per cord if the timber is poplar, and seventy-five cents per cord if other kinds of timber.

Permits may be granted without competition in the Railway Belt in the Province of British Columbia to settlers and others to cut up to one hundred cords of shingle-bolts for sale, upon payment in advance of dues at the rate of one dollar per cord.

Permits may be granted without competition to cut fire-killed or dry timber on payment of dues at the rate prescribed in section 42 of these regulations.

Any holder of an entry for a homestead, a purchased homestead, or a pre-emption, who, previous to the issue of letters patent, sells any of the timber on his homestead, purchased homestead, or pre-emption to owners of sawmills or to any others

than settlers for their own exclusive use, without having previously obtained permission so to do from the Minister, is guilty of a trespass and may be prosecuted therefor before a Justice of the Peace, and upon summary conviction shall be liable to a penalty not exceeding one hundred dollars, and the timber so sold shall be subject to seizure and confiscation in the manner provided in the Dominion Lands Act.

If the holder of an entry as above described desires to cut timber on the land held by him for sale to either actual settlers for their own use or to other than actual settlers, he shall be required to secure a permit from the Crown Timber Agent in whose district the land is situated, and shall pay dues on the timber sold to other than actual settlers at the rate set out in section 42 of these regulations, but the amount so paid shall be refunded when he secures his patent.

Permits may be granted without competition on available Dominion lands to licensees of timber berths being operated to cut isolated fringes of timber lying immediately outside of same and next to their cuttings when the quantity does not exceed three hundred thousand feet B.M. No permit of this class, however, shall be granted before an inspection has been made by the Timber Inspector for the district, and a report received from the Crown Timber Agent to the effect that the granting of the permit would be in the public interest. The timber cut shall be subject to dues at fifty per cent. in advance of those set out in section 42 of these regulations.

#### *Persons exempted from Dues.*

No dues are to be exacted from the following classes of persons for timber cut upon undisposed of Dominion lands, that is to say:—

- (a.) Miners engaged in prospecting:
- (b.) Travellers:
- (c.) Persons engaged in merely scientific pursuits or exploring:
- (d.) Persons cutting timber for the construction of educational, religious, and charitable institutions.

49. The quantity of timber to be taken under a permit, free of dues, is to be determined by the Minister of the Interior, who shall also prescribe the territory within which it shall be cut and by whom.

#### *Timber for Homesteads.*

50. Any homestead settler having no timber on his homestead or lands owned by him that could be used to meet his requirements, and who has not obtained a free allowance of timber from Dominion lands, may, providing application is made within five years of date of his homestead entry, obtain a permit to cut such quantity of building and fencing timber and dry fuel as he may require for use on his homestead, not exceeding the following:—

(a.) Three thousand lineal feet of building-timber, no log to be over 12 inches at the butt end unless the timber is cut from dry trees, in which case timber of any diameter may be taken.

Should the building-timber be sawn at a mill, the permittee will be entitled to receive, free of dues, 9,250 feet board measure of lumber therefrom, and no more.

(b.) Four hundred roof-poles to be used for such purpose.

(c.) Five hundred fence-posts, 7 feet long, and not to exceed 5 inches at the small end.

(d.) Two thousand fence-rails.

(e.) Thirty cords dry wood.

51. Should the house timber be sawn at a mill, payments for sawing must not be made by way of toll, as the full quantity of lumber cut from the logs must be used on the permit-holder's homestead.

52. Any settler in Manitoba, Saskatchewan, Alberta, or the North-west Territories who has lost his dwelling or other building by accidental fire, whether caused by prairie or bush fires or in any other way was not due to his own carelessness, may obtain a free permit to cut for the replacing of such buildings the quantity of timber to which a homesteader is entitled free of dues under the provisions of section 50 of these regulations.

53. In order that mill-owners may be able to give satisfactory evidence that sawlogs or lumber found in their possession have been lawfully cut, they shall require from settlers bringing timber to be sawn proof that the same has not been cut on Dominion lands, or that it has been cut under a permit, which the settler should produce in order that its number, its date, and the name of the permittee may be noted by the mill-owner. The latter should also record the quantity of such timber sawn by him, so that he may be in a position to duly protect himself should an account or return thereof be demanded by agents of the Department.

54. The applicant will be required to pay an office fee of one dollar before he can obtain a free permit, but no dues will be charged for the timber or wood cut under and in accordance therewith.

#### NOTICE.

[1115]

Certified Copy of a Report of the Committee of the Privy Council, approved by His Excellency the Deputy Governor-General, on the 6th April, 1921.

THE Committee of the Privy Council have before them a report dated March 24th, 1921, from the Minister of the Interior, stating that an application has been made to the Department of the Interior on behalf of the Miami Corporation for the right to occupy a portion of the bed of the Fraser River, in the Railway Belt in the Province of British Columbia, for booming purposes in connection with the extensive lumbering operations of the Company.

The Minister further states that the Company has submitted surveys by a Dominion land surveyor showing the area required, 16.95 acres, which surveys are shown on a plan dated July 26th, 1918, approved and confirmed by the Surveyor-General, and of record in the Department of the Interior under No. 30331, a blue-print which is attached hereto.

That by Order in Council, dated August 18th, 1920 (P.C. 1967) the plan and description of the site of the boom and booming-grounds were approved, following a report from the Acting Minister of Public Works, dated August 13th, 1920.

That the application of the Company has been favourably reported upon after careful inquiries by agents of the Department of the Interior.

That the application of the Company has the approval of the Department of Marine and Fisheries.

That the booming rights are necessary in the interests of the Company.

The Minister therefore recommends that he be authorized to issue a lease to the Miami Corporation for the land as shown on the attached blue-print, the lease to be for 21 years at an annual rental of \$150, and subject to cancellation upon 6 months' notice by the Minister of the Interior, and to be on such terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

jy21 *Clerk of the Privy Council.*
